

About MABB

Michigan Association of Blood Banks is one of the oldest and most prestigious blood banking associations in the country.

MABB is a nonprofit organization dedicated to high standards of administrative and technical performance through educational programs and exchange of information relating to the field of immunohematology.

Members

Members are comprised of hospital and community blood banks, transfusion services, and professionals actively involved or interested in blood banking, immunohematology, and transfusion medicine:

- ◆ Technologists
- ◆ Supervisors
- ◆ Physicians
- ◆ Institutions
- ◆ Vendors

Continuing Education Venues

- ◆ **Annual Meeting:** 2 day conference with lectures by national and local experts. Vendor exhibits and demonstrations feature the latest technology.
- ◆ **RAP Sessions:** Dinner, discussion, and great networking opportunities. Recent topics: ISBT, unannounced inspections, computer crossmatch, transfusion reaction investigation, and trauma.
- ◆ **Wet Workshops:** In 2008, attendees performed antibody identification studies in a laboratory using gel, solid phase, and low ionic strength methods.
- ◆ **P.A.C.E. and CME Credits:** Available for ASCP, NCA and other agencies.

Membership Benefits

- ◆ Notifications of meetings and events
- ◆ Discounted fees for programs
- ◆ Professional involvement and resource building
- ◆ Resume enhancement
- ◆ Opportunities to participate
 - Committees
 - Newsletter
 - Teaching
 - Executive board

Comments from MABB Members

- ◆ *Networking gave me a job opportunity*
- ◆ *It is always nice to meet technologists from other hospitals*
- ◆ *It is helpful to share ideas and brainstorm problems and solutions at the meetings and RAP sessions*
- ◆ *I liked learning people's names at the annual meeting*
- ◆ *The topics presented are very informative and timely*
