

70th Annual Meeting
Michigan Association of Blood Banks

September 25, 2024; 8 am to 4:30 pm
September 26, 2024; 8 am to 4:30 pm

Schoolcraft College VisTaTech Center, Livonia, MI

The annual meeting is an excellent opportunity to network with other transfusion medicine professionals.

You can meet and greet with vendors and learn about new technologies and collect fun swag. Most importantly is the overall educational enrichment from both early career professionals and experts within the field.

Topics this year include patient blood management, whole blood, donor incentives, history of blood bank, fascinating case studies, and much more!

Please join us for an exciting event!
